Brief Synopsis

This morning at approximately 04:54, a group of approximately 10 farm tractors arrived downtown.

They drove down Bronson Ave where they were intercepted by OPS.

OPS made several attempts to redirect them to Coventry parking lot (Lynx Stadium), which turned out to be unsuccessful.

The farm tractors operators would not cooperate or follow officers' directions and drove towards Albert and Lion where they all parked.

They are now all parked wrong way on Albert, East of Lion, South side of the road. The emergency lane is still clear and opened in the middle of Albert.

Operators are not interacting with anyone.
